

Burnet County Emergency Services District No. 6

ORDER NO. 24-06-04

Policy on Use of Facilities by the Public

Use of the facilities by the public will be determined by the Fire Chief and the Assistant Treasurer/Secretary upon a written request (an email request is acceptable). Only those public activities that can be held in the meeting/training room at the 606 Avenue U Fire Station are permitted and is limited to a total of 25 individuals. The request will be reviewed and either approved or denied, in writing by either the Fire Chief or the Assistant Treasurer/Secretary. If approved, the request will be noted on the station's calendar.

Activities that involve alcohol consumption, smoking and/or gambling ARE NOT permitted. Visitors are only permitted in the training/meeting room area and bathrooms, unless accompanied by a firefighter or Board member.

Any request for use will not be permitted to negatively impact the Fire Department in fulfilling its primary missions – to house ESD vehicles, equipment, personnel and to respond to emergency services calls. There will be no additional expenses for the ESD or the fire department and any activity that would expose or increase the ESD's risk to civil liability lawsuits will not be permitted.

Approved this 18th day of June, 2024
